

COMMUNITY NEWS
CANDLEWOOD PARK
November 2022

Thanksgiving has been an official holiday since the days of George Washington, who, in 1789, issued the first proclamation of Thanksgiving to honor the new national constitution.

October 3 of 1863, Abraham Lincoln proclaimed the last Thursday of November as a National Day of Thanksgiving. We celebrated the official holiday together as a nation on November 26, 1863.

Happy Birthday
To all residents who are celebrating
a Birthday.....

We hope you have
A great one!

Just a Reminder if you haven't
already, now is a good time to get a
flu shot.

Leaves are falling it is the time of
year for yard clean-up. Please help
keep the leaves cleaned up in your
yard. That will help with all the leaves
that end up on the road.

COMMUNITY NEWS CANDLEWOOD PARK November 2022

MANAGER'S CORNER:

We what to Thank Everyone that used the big dumpster that we had. You filled it up to the brim.

Reminder if your mobile home insurance has expired any time between June – Oct please bring the office a copy of your renew letter. I will be sending out letters to those that have expired or have not given me a copied of the mobile insurance. This is a requirement of the park.

Reminder about Parking: You are allowed 2 vehicles per home site. If you have more than 2 vehicles, you must remove one for the park or rent and extra space by RV parking. The NO PARKING ON STREET OVER NIGHT is being enforced. Vehicles will be towed at the owner's expense.

We will be resuming the replacing the water meters on all the homes in the community within the next couple months. Some have already been changed. We will notify in advance when your street is being done. Unfortunately, they are not electronically read, so reading will still be door to door.

The recycle company will not pick up boxes that are not broken down and placed inside the recycle containers. So, please brake boxes down and not sit them on top of recycle containers.

The free table has been doing really good for the most part, some are still placing items that are not in good shape or clean.

November is Fire Hazard Awareness month; The fall and winter are times when most fires start. Space heaters, under-sized extension cords and candles cause most fires. With space heater, either plug in to the wall or use the appropriate gauge extension cord. Using the wrong gauge extension cord can cause overheating/fire. Remember that a fire at one unit can spread very quickly. Therefore, yards should not be over-full of items that help fire leap from unit to unit. We also recommend that you have a working fire extinguisher (or 2) on hand as a precaution. Safety is everyone's responsibility. Thank You for the role that you each play in this endeavor.

Cookie exchange

You are invited to a Christmas Cookie Exchange

Join us for a little sugar and a lot of Fun!

Cookie Exchange Rules

1. Cookies can be store bought or homemade
2. Cookies should be made to last several days after baking or buying.
3. Seasonal cookies are encouraged
4. No burnt cookies, please
5. Bring your cookies in a container that you can use to take home cookies from the exchange.
6. Bring the name of your cookie to be displayed on a place-card at the exchange
7. Bring the recipe for homemade cookies or bring the ingredients label for store bought cookies. This is important for anyone who has a food allergy.
8. Enjoy your cookies during the holiday season!
