MANAGER'S CORNER:

Reminder if your mobile home insurance has expired and just renewed, please bring the office a copy of your renew letter. I will be sending out letters to those that have expired or have not given me a copied of the mobile insurance. This is a requirement of the park.

We will be starting to replace the water meters on units 43 -54 this month. We will be sending out 24 hour notices, letting you know what days we will be entering on your property. Unfortunately, they are not electronically read, so reading will still be door to door. We will also be doing a 4 corner inspection on these units at the same time.

Watch for scams -----There are several scams going around You will receive an email or message stating that your Amazon order has been delivered to the wrong area and ask you for more of your personal information to get it to the correct area. They may ask for more money or state they will refund you None of these are true. Please remember - -NEVER give out any of your personal information, reputable businesses do not contact you in this manner, Remember the crooks are able to copy logos that look like the real thing. Be aware No one should be asking for your social security, medicare number, or bank account number over the telephone or by email. Ask them for their phone number and tell them you will get back to them. They will probably hang up. Have a great day!
